WE MAKE THEM BETTER
IN EVERY WAY

FOR YOUR HOME, FARM,
CLUB OR BUSINESS

No. 1125

Price \$110.00

On this and the following pages we have listed a few examples of our decorative Signs - Signs of the better class - unusual and artistic in design and durable in construction. From these you can judge the character of our offerings and from the sizes and prices given, you may approximate our charges for a specially designed Sign and Bracket made to your order.

Our wooden Signs are made of clear, well seasoned, white pine $1\frac{1}{4}$ inch or more thick and decorated on both sides with your own device. This board is bound around with a wrought iron frame and hung from a hand forged, wrought iron bracket.
